PATHWAYS TO AUSTRALIAN HIGHER EDUCATION PROVIDERS AND UNIVERSITIES

Academia International is recognised as a College delivering quality tuition in Vocational Education and Training. This recognition is demonstrated in the pathways we have achieved to date with quality Institutions in the University and Higher Education sectors.

Victoria University was founded in 1916 as Footscray Technical School and established as Victoria University in 1990. Currently there are more than 45,000 enrolled students, including over 8000 international students and over 4600 postgraduate students. Victoria University offers 746 higher education and TAFE courses through five Faculties and through the VU College, at eleven campuses and sites.

Academia International Students articulate directly to Victoria University's Faculty of Business and Law Bachelors of Business (Majoring in Hospitality or Small Business and Entrepreneurship)
