

Activity Calendar

At Academia International we believe that learning is not just about the classroom, so we encourage students to go out and meet people and enjoy all the social activities that Melbourne and Brisbane have to offer.

Melbourne:

History, culture, entertainment, shopping and world-class sporting events - it's no surprise that Melbourne has been voted by the Economist as the world's most liveable city 6 years in a row. This vibrant and bustling cosmopolitan city is also famous for its lush parks, gardens and green spaces where you can enjoy nature at its best.

Brisbane:

As the capital of Queensland, the Sunshine State, Brisbane is blessed with idyllic subtropical weather all year round. With award-winning food and wine, a jam-packed events calendar, adventurous activities, scenic weekend getaways and plenty to explore all over the city
